

Citizenship & PSHCE Curriculum at Bronte Girls' Academy

Our Vision

The Citizenship curriculum will follow that which is outlined in the National Curriculum in England. We ensure that all students study citizenship education which will foster pupils' keen awareness and understanding of democracy, government and how laws are made and upheld. Citizenship at Bronte Girls' Academy will equip pupils with the skills and

knowledge to explore political and social issues critically, to weigh evidence, debate and make reasoned arguments. It should also prepare pupils to take their place in society as responsible citizens, manage their money well and make sound financial decisions.

PSHCE education helps pupils to develop the knowledge, skills and attributes they need to thrive as individuals, family members and members of society. From making responsible decisions related to everyday life to succeeding in their first job, PSHCE education helps pupils to manage many of the most critical opportunities, challenges, and responsibilities they will face growing up.

Outside of the classroom

At Bronte Girls' Academy we aim to provide our students with the best opportunities beyond the classroom. Our students will discover the history and work of UK Parliament in person on a fun and informative tour delivered by an expert guide as well as a tour of famous landmarks in London.

At Bronte Girls' Academy we further support our young people as they resettle in schools and community groups by allowing them to explore their own values and goals going forward. We arrange inspiring, empowering and carefully structured education workshops and activities which will enable our young people to:

- gain a strong understanding of the dangers of prejudice and of Anne Frank as a role model of youth voice.
- create their own personal motto of three key values – e.g. kindness, tolerance, honesty, collaboration, respect for difference.
- practical knowledge of where to get further information and/or ongoing pastoral support.
